To Whom It May Concern:

I am writing this letter of recommendation to express our satisfaction with Jeffrey Darrel Advertising since the year 2005.

The president of JDA, Jeff Brooks has been more than fair with pricing. He personally manages each project from start to finish to make sure projects are completed on time, and the quality of our Printing and Promotional Products meets the high standards we have set for Express Teller Services.

There customer service is always a priority. For both large and small orders, we know that we can count on JDA to stay in touch to let us know the status of our orders and when they will be delivered.

I look forward to a continued business relationship with Jeffrey Darrel Advertising in the years to come.

Sincerely,
