Re: Jeffrey Darrel Advertising

To Whom It May Concern:

Please accept this as a letter of recommendation for Jeff Brooks of Jeffrey Darrel Advertising.

We have been working with Jeff for the past five years. We have ordered a multitude of marketing tools from him such as business cards, envelopes, pens, invitations, and folders. He has consistently given us the lowest pricing without compromising quality. His service is great and we know he takes pride in servicing our needs. He is very pleasant to work with and you can depend on him to meet your timelines.

As a successful business owner for over 35 years, we can confidently recommend him to do his best for your company.

Sincerely,

FIVE STAR FINANCIAL RESOURCES, INC.
