Jeffrey Darrel Advertising has been a reliable source for our business's promotional products and printing needs. TMS Johnson has relied on them for both large and small projects and they have delivered within budget and on time.

Over the past year, we have successfully worked with JDA on the following projects:

- Case Studies (4 large format color prints matted in frames)
- Business Cards
- Holiday Greeting Cards
- Name Plates – both wall & desk
- Men's and Women's Golf Shirts
- Dress Shirts
- Drawstring Fabric Backpacks
- Plastic Bags
- Table Cloths
- Vinyl Banner Sign
- Foam Board Sign
- Window & Regular Envelopes
- Re-Designed Desk Calendars
- Full Color Mouse Pads
- Pens
- Picking Slips
- Return Address Thermal Labels

JDA is excellent at communicating timelines and budget estimates. We were in constant communication when juggling multiple projects and I was never unsure of a projects' status.

Their designer is honest and professional. We have never had more than two rounds of proofs before a project was finished. JDA has always given accurate estimates in the length of time required for a project's layout, and thoroughly reviews any changes.

Jeff Brooks is more than fair in his pricing and goes out of his way to make sure we are happy with our product. He treats every project as equal priority and always inspects the product before delivery. If there is a more cost-effective way of completing a project, he is honest and consistently passes the savings on to us.

We haven't had a Promotional Product or Printing need that JDA hasn't been able to fulfill!

Sincerely,

Andrea Lind
